Basilica Administratum Building Instructions

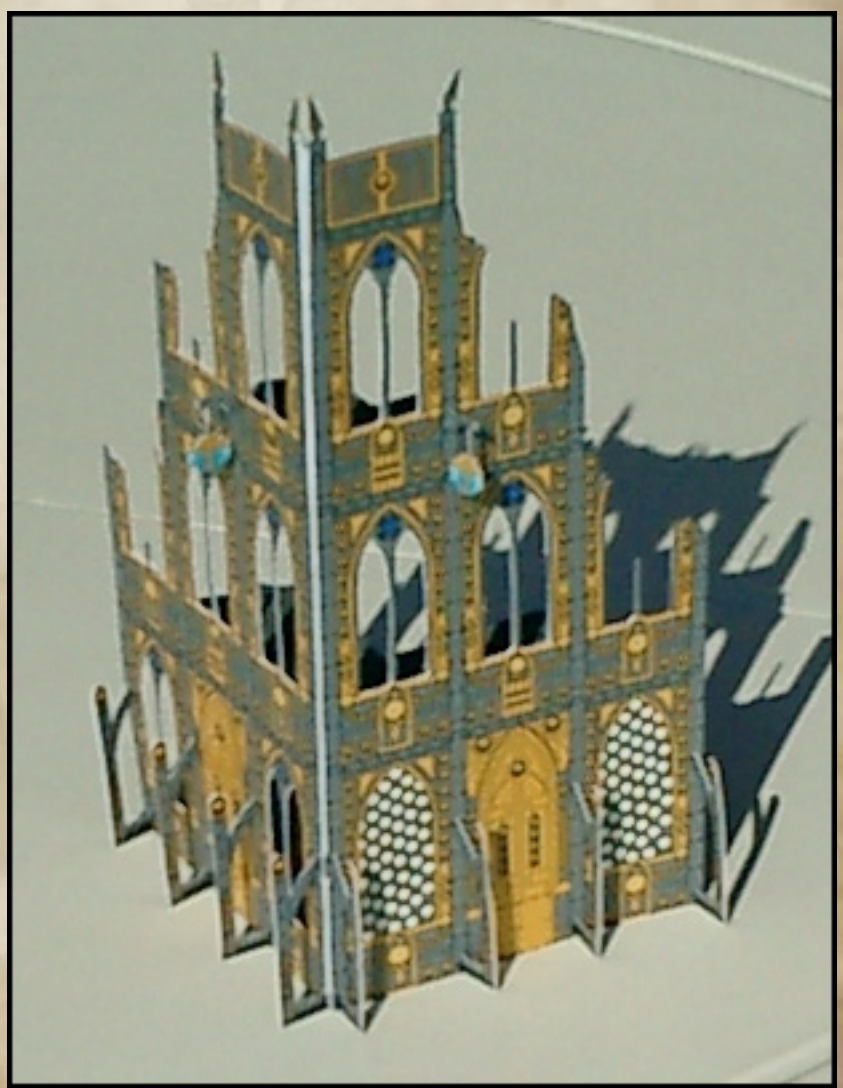
Walls

Left Wall (1)

Score, fold and glue. When perfectly dry, carefully cut out the windows and remember to cut in correspondence of the marks for the buttresses (14-21) and the glowglobes (22-23) to be attached.

Right Wall (6)

Score, fold and glue. When perfectly dry, carefully cut out the windows and remember to cut in correspondence of the marks for the buttresses (14-21) and the glowglobes (22-23) to be attached. Glue the right wall to the left wall (1) and let the structure dry.



Floors

Left Floor Mounts (2-5)
Score, fold and glue. When perfectly dry, glue to the left wall (1) following the indicated numbering.

Right Floor Mounts (7-10)
Score, fold and glue. When perfectly dry, glue to the right wall (6) following the indicated numbering.

Bottom Floor (11)
Score, fold and glue. When perfectly dry, glue to the left and right floor mounts (2,3,7,8).

Middle Floor (12)
Score, fold and glue. When perfectly dry, glue to the left and right floor mounts (4,9).

Top Floor (13)
Score, fold and glue. When perfectly dry, glue to the left and right floor mounts (5,10).

Miscellaneous Parts

Buttresses (14-21)
Score, fold and glue. When perfectly dry, insert into the small cuts in the left and right walls (1,6).

Glowglobes (22-23)
Score, fold and glue. When perfectly dry, insert into the small cuts in the left and right walls (1,6).
